

welcome to the 22<sup>nd</sup> issue of big belch news. I'm your host, and along with me now is the long-awaited (by nobody) return of neener! Take it away, neener!

*The return of neener.*

I'm back. It's good to be back, especially if you're backing the right candidate for president. That's why I endorse Dan Machinty. Dan may not be on your ballot, but he is running for president. Why? He's homeless and he wants a house to live in for four years. Lots of people have been swarming around Dan, flapping their wings and buzzing. Did I say people? I meant flies. Dan can't take a shower because he has no home. He holds up a sign that says "Homeless and running for president. Want your vote." So when you're in the voting booth or in a state where you vote by mail and can vote naked, think of Dan before checking that box for Mitt Romney. Then vote. For Romney. Because Dan hasn't got

a chance in hell of becoming president.

++++  
Thanks, Neener. We all know how important voting is. To the new world order. They like us to think that we have a say in what goes on when in reality they pick who all the leaders for all the countries are. And they don't really care what goes on. I bet they burn the ballots once they get them and light their cigars with them and say "Ha! Those dumb idiots actually think they can choose? Well we do!" The European Union was just the beginning. And look at what happened to them: Multiple country bankruptcies. And we'll be next and I don't want to have to beg for money from China. Obama will have to say "Pretty please with a cherry on top?" while China will sit back and laugh. What? There is no secret new world order? Sorry. I guess your vote does matter after all. Vote Romney.

Hey gang, I was reading this book on wordplay. There's a section in there about word squares. It reminded me of this 15x15 crossword puzzle in the August 2009 issue of Puzzler's Crosswords Crosswords (yes, that's the name of it.) The answer looks like this:

S	T	A	R	B	A	S	E	S		S	H	U	L	A	
T	O	T	A	L	C	O	S	T		M	I	N	O	R	
E	M	A	C	I	A	T	E	D		O	R	I	N	G	
T	A	L	O	N						K	E	A	N	U	
S	T	A	N	D	S	T	H	E	T	E	S	T	O	F	
O	O	N			C	O	R	O	N	A	L		E	L	Y
N	E	T			A	L	I	T	T	L	E				
S	S	A			R	O	N	D	E	L	S		O	R	D
					B	I	K	I	N	I	S		N	O	E
E	S	S			O	N	E	S	T	E	P		O	A	S
M	A	K	I	N	G	T	H	E	R	O	U	N	D	S	
B	L	A	N	C							W	H	E	R	E
O	U	T	T	O			G	L	A	N	D	U	L	A	R
S	T	E	E	P			S	E	M	I	E	R	E	C	T
S	E	R	R	Y			A	M	P	E	R	A	G	E	S

My, that's a 7x7 word square in the center! I was just wondering if someone could construct or find a use of an 8x8 (or bigger) word square. If you do, Big Belch News will send you \$74.47 as a prize if you're the first one to send us one. If you decide to make a crossword, please give us clues. If you find a crossword, if possible, give us the clues as well. The contest runs until I can't afford to give out prize money.

I've always been intrigued by "buy one, get one free" offers. The way I see it, if you can stand to give away half of your stuff for free, you should be able to give away all of your stuff for free. Like the one time I went into the store and saw something for sale for \$20 and it was 120% off. So I grab it, go to the counter to buy it and she handed me four dollars, plus I got to get the thing I was buying. Well, I wasn't buying it because I didn't have to pay her anything since it was over 99% off. The name of the store I have forgotten, but it was a great store. It didn't last long if memory serves. Which is too bad because I used to shop there all the time. I wonder why they went out of business. In case you were wondering what I got, it was an electric exercise wheel for my pet rock. It went around and around and my pet rock apparently didn't like it because every time I set him on it and turned it on, he jumped off it.

By the way, if you happen to see that the last issue was made yesterday, I'm not going daily. It just happened to work out that way.
