Disney buys Lucasfilm

Yep. Disney now owns the Star Wars series, the Indiana Jones series, as well as the Howard the Duck movie. OK, well, it may not be a perfect 4 billion dollar purchase for Disney. Besides they already have Donald. Disney announced there will be

more crappy Star Wars movies starting in 2015.

Hurricane sandy.

Hurricane Sandy hit the east coast, bringing lots of damage and flooding to places like New York City, New Jersey and other spots. The New York City subway was flooded (although they still make good sandwiches.) And the new Brooklyn Nets, their team had to reschedule their NBA game. President Obama and New Jersey governor Chris Christie toured the damage. About 2 dozen people died in the storm. It was horrible. Hopefully we won't have a Hurricane Mr. Krabs, or a Hurricane Squidward, or even a Hurricane Plankton (SpongeBob references.)

You know what else blows beside the hurricane? The Lakers. Yep, they start the season with an 0-2 record. When you lose to the Blazers, you know there's something wrong with

your team. And they have all good players, like Kobe, Steve Nash, etc.

Thoughts on Thirty.

You know, today I turn 30. Which means I'm now a geezer. Well, I have to go to the bathroom like one. Anyway, for my birthday, I got a cane, a walker and some Depends undergarments. Now I don't have to get up to go to the bathroom, I can just pee in my chair while I'm typing up the latest issue of Big belch news. 🎵Happy birthday to me, happy birthday to me, happy birthday dear meeeee, happy birthday to meeeeeeeee.🎵

PERFECT PANGRAM TIME!

Hey gang, it's time for another perfect pangram, a sentence that uses all 26 letters of the alphabet once. Here it is: "Quack, BJ, drown TV's fez glyph mix!"

And now the fun part, the meaning.

BJ is the name of a duck, and the guy saying this is tired of the crappy music playing while there's a show about fezzes on TV, so he asks BJ to quack real loud so he doesn't have to hear it.

Lousy, lazy guy can't even get up to get the remote and mute it or change the channel, so he asks his duck to quack instead. Of course, if he's this stupid, why did he even bother watching a show about fezzes? Fezzes are worn by smart people.

A smart duck. ↑

I want a ham sandwich. They are yummy. With pickles and mayonnaise and ham on two slices of white bread. Yum yum yum. I also like Subway's ham sandwiches. There isn't anything in this world better than a nice ol' ham sandwich made from pig corpses. They are yummy, especially bacon. Gimme a plate of bacon right now and I'll eat it.
