

Sketches of the 50-foot-tall stalk of celery.

24
MAY 2017.

IT'S ABOUT TIME!

Professor Evil had just finished his latest invention.

a TIME
MACHINE!

BATHROOM.

it says "bathroom" because I only had money for one sign.

It's all part of my plan to get rid of Mr. Celery...

For a few million YEARS! Ha ha ha!

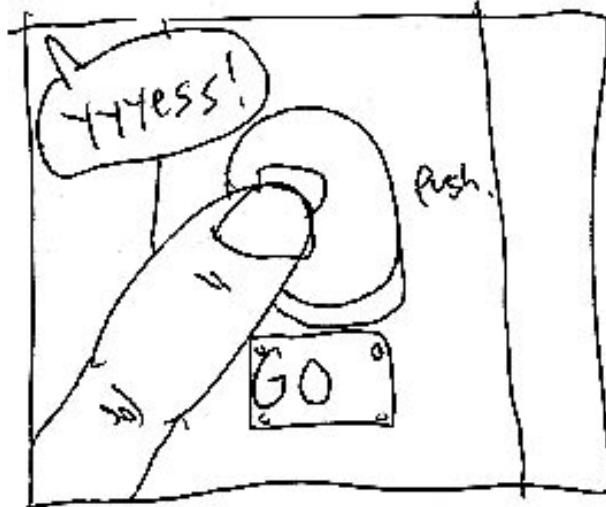

Shut up down there!

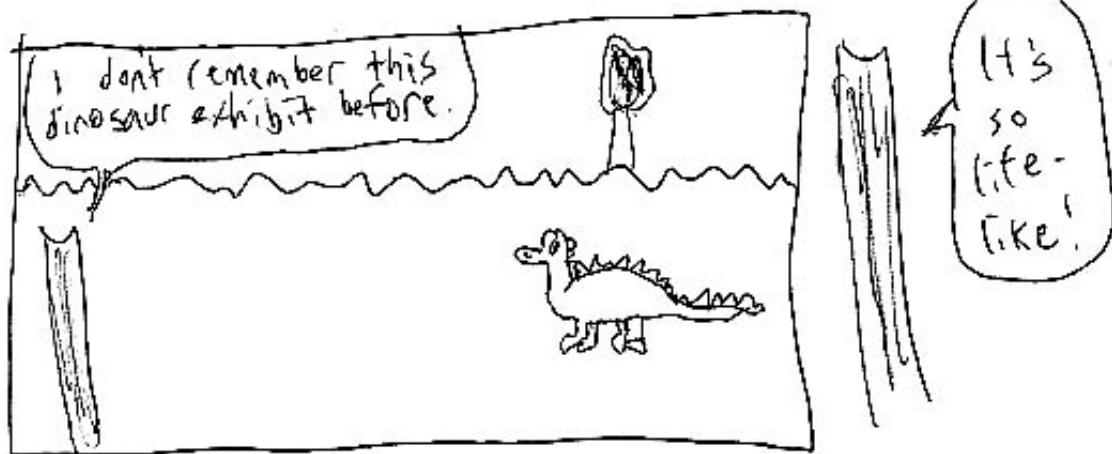

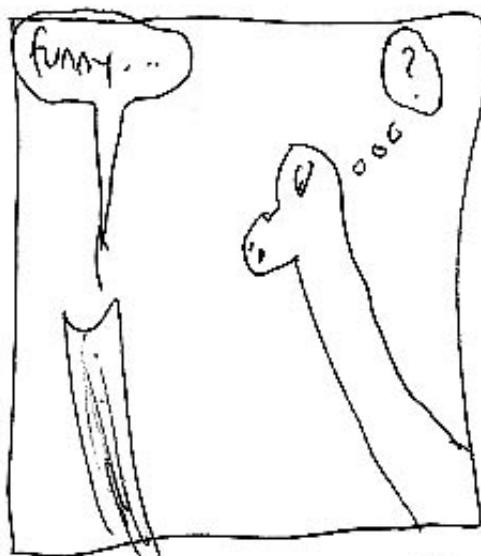

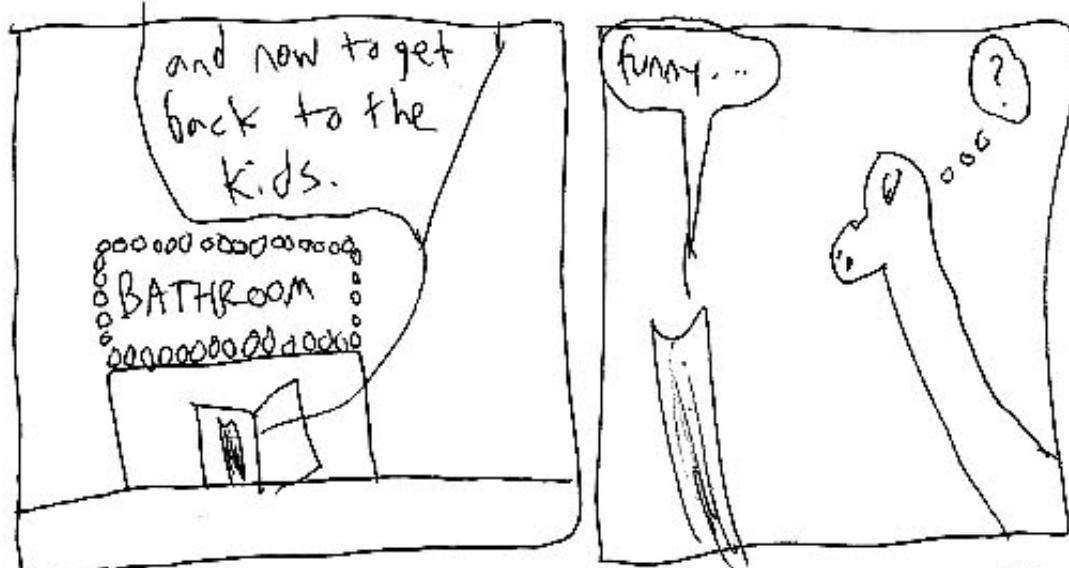

Yes, mother.

MEANWHILE, MR.
CELERY WAS ~~NOT~~
HAVING FUN AT
THE FAIR.

20 MINUTES LATER...

hmm, this
is a big
dino
exhibit!

I've been walking for
19 minutes and it
hasn't ended yet!

Wait a minute...

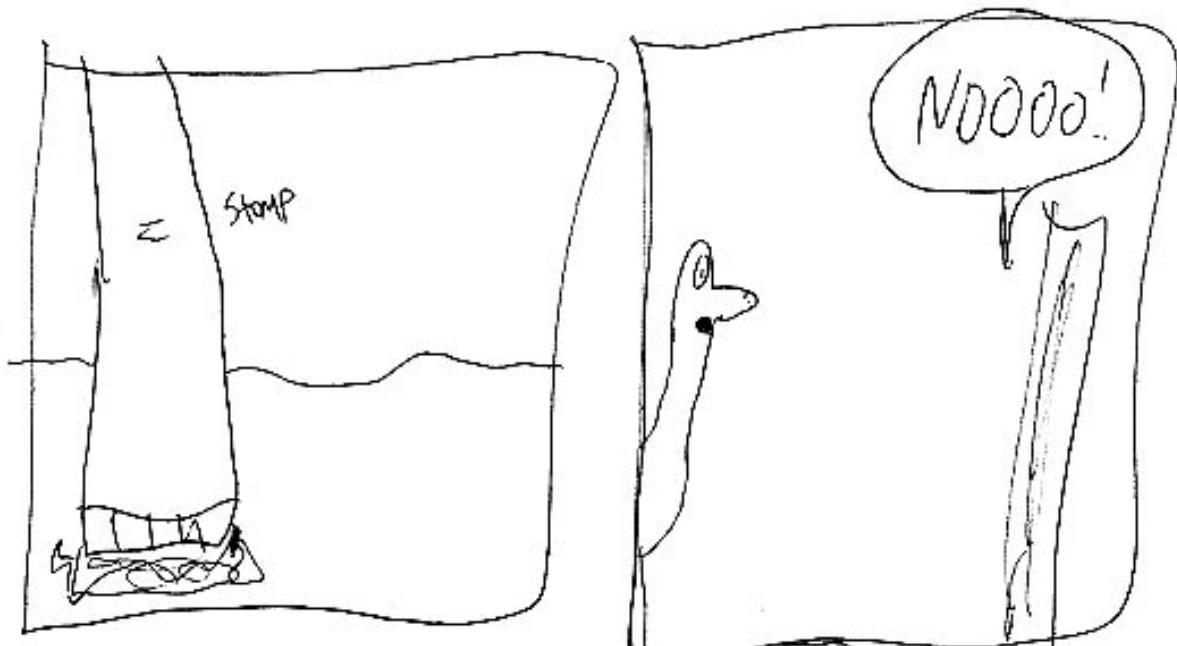

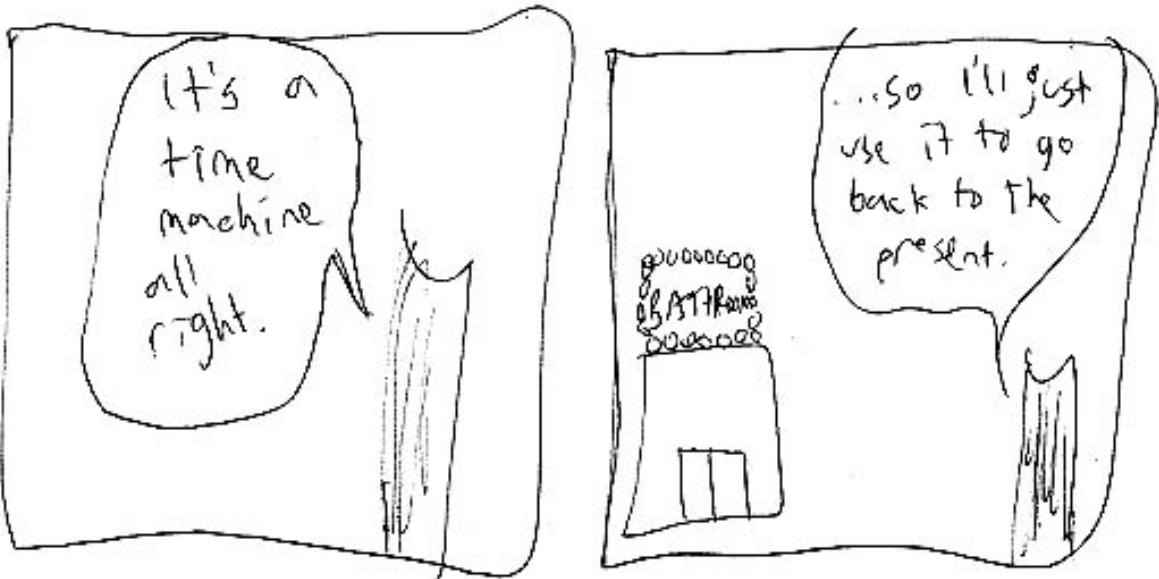

I think I've
gone...
back in
time!

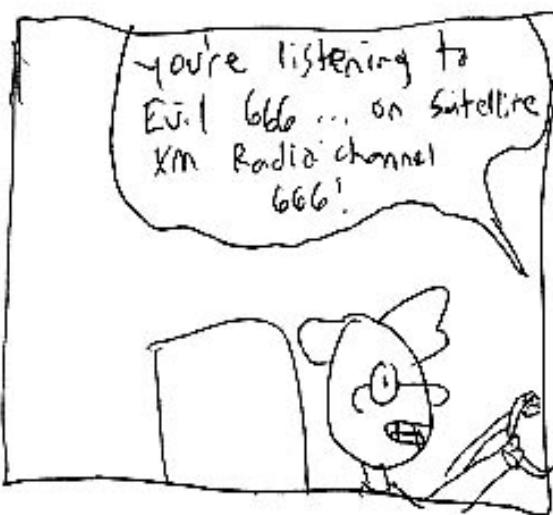

which seems odd
because all I did
was go to the
bathroom.

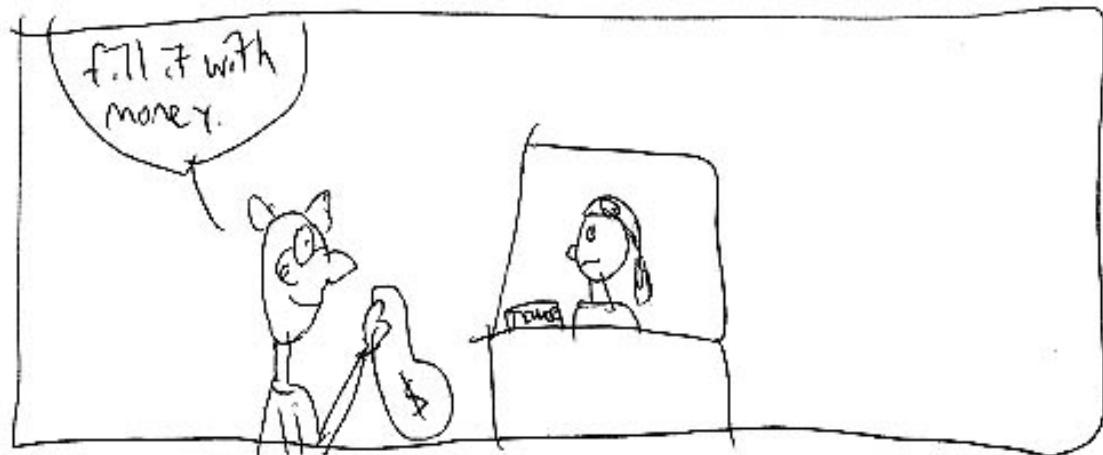

20 MINUTES LATER...

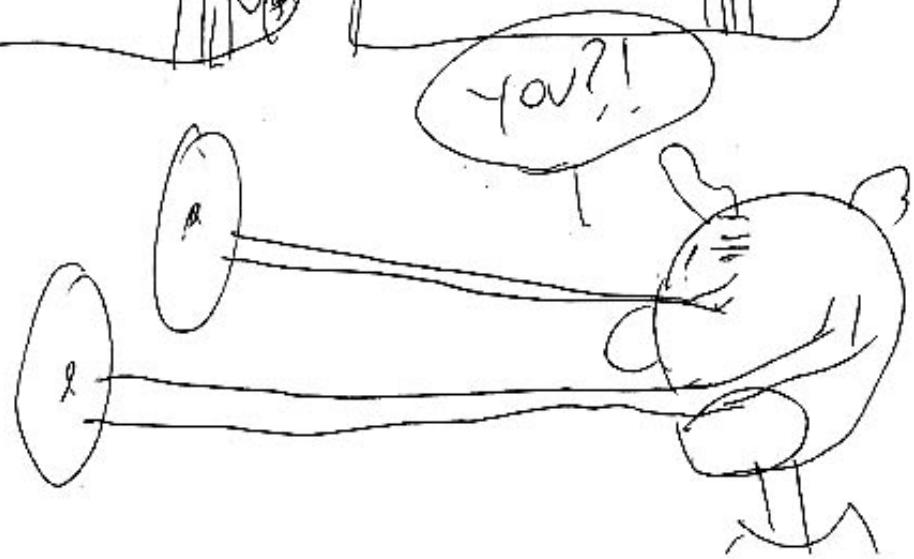

BATHROOM

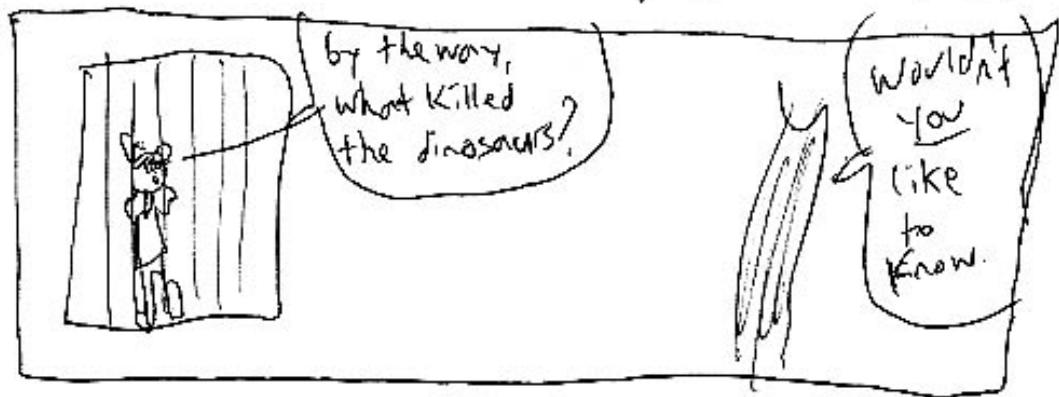

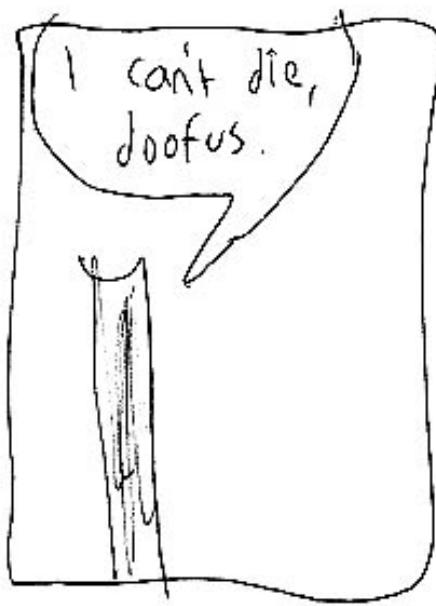

yep.
