level 1 – strawberry fields

Quincy's quest for a pineapple begins in level 1, Strawberry Fields, a vast place where trees dot the landscape and make their home. It is also home to a bunch of bananas who you like to help do various tasks, outlined in this guide.

So you can't go any farther left? Go to the lower left screen, and you'll meet mama banana. She needs to find her son, Pete. Once you find Pete, then you will be granted access to the next part of the level. In case you didn't find a smaller banana earlier, Pete is two screens up from the mama banana.

bridging the gap

Moving left seems to be a problem for poor Quincy. Now blocking your path is a river. Go back to the mama banana and she'll make a bridge appear on the lowest left-hand screen across the river for you to cross.
